

Our Guatemala 2016 Program Was A Success!

CureCervicalCancer is thrilled to report another successful program in Guatemala. With our partners at **Asociacion Companeros Para Cirugia (Partners in Surgery)** and **WINGS**, we have trained & certified five local healthcare professionals in our "See and Treat" method, plus screened/treated nearly **600 women with an overall 17% positivity rate.**

We would like send a special thanks to Dr. Erica Oberman, Dr. Valentina Rodriguez, Elsa Miramontes RN, Rick Siedband, and Nina Fateyenko for their effort and enthusiasm during this program!

The team would like to acknowledge **Rodrigo Barillas** (WINGS Executive Director), **Dr. Michelle Dubon** (WINGS Medical Director), and **Ariel Marroquin** (Partners in Surgery's Director of Operations) for their assistance, dedication, and partnership with CureCervicalCancer.
