

RE:

IS OUT OF THE
OFFICE FROM
2/24-3/4

We will be in Vietnam!

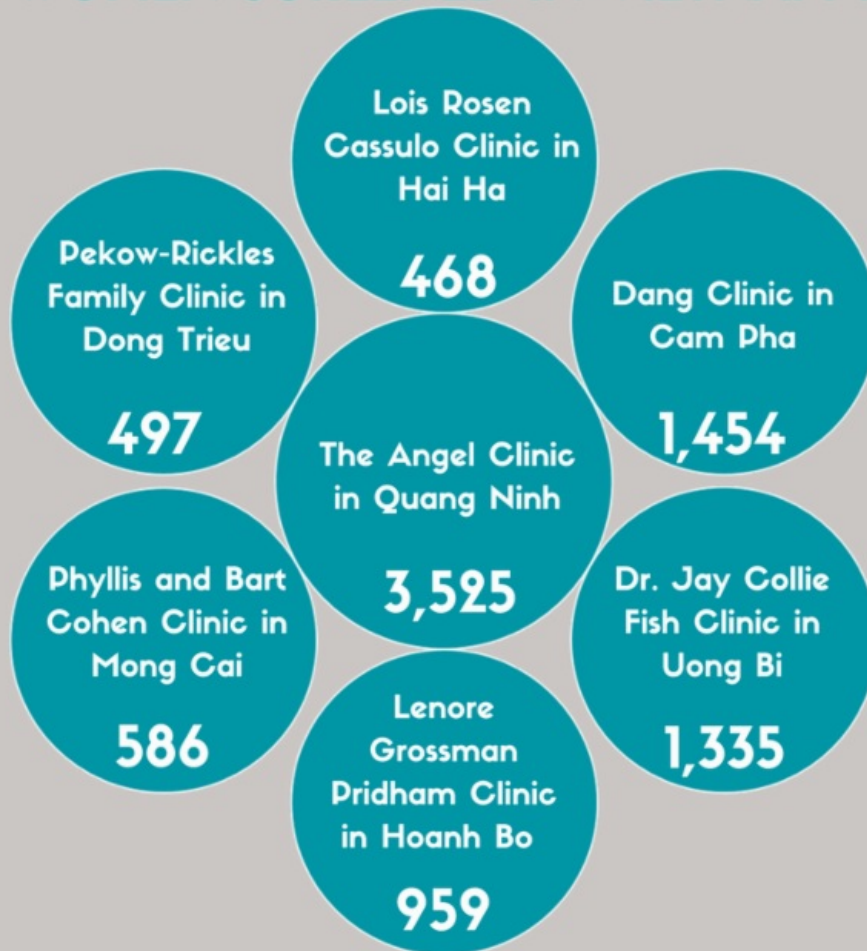

CCC is headed to Vietnam in two days!
Vietnam hosts our most successful programs with
29,324 Women Screened to date.

The purpose of this trip:

Revisit each of our 7 clinics
Retrain local healthcare professionals
Replenish their supplies

We are excited to announce that we will be dedicating our clinic in Hai Ha, Vietnam in loving memory of **Lois Rosen Cassulo**, sister of Fern Jennings.
